DEDICATION

MISS EVA B. JOHNSON

ALGEBRA, GEOMETRY, TRIGONOMETRY ... these solid fundamentals of mathematics have been ably taught by MISS EVA B. JOHNSON at Seaman since 1927.

As she retires this year, we of the 1958 Yearbook Staff feel it is a privilege to dedicate this edition of The Seaman to Miss Johnson as a token of our respect and appreciation for her years of loyal service and conscientious teaching. A great many graduates will remember her sincere interest in them personally and in their education.

In the words of Henry Adams, a teacher never knows where her influence stops.

FUTURE MEMORIES

LIKE OLD PHOTOGRAPHS, MEMORIES FADE AS TIME PASSES. The memories we have captured with our cameras and our pens are presented on the following pages of "The Seaman" for 1958, so that your remembrances will always remain vivid.

It is our wish that as you glance through these pages, you will recall your classes, teachers, the crowded halls, noon-time activities, fun-filled parties, exciting sports seasons, and perhaps, too, the departing seniors.

We sincerely hope that many times you can relive YOUR year at Seaman High.

PROGRESS IS OUR MOST IMPORTANT PROJECT

NEW FACILITIES MEAN FURTHER OPPORTUNITIES for learning. Costing approximately $60,000, our new west wing will be ready for use next fall. To prepare for the expected greater enrollment, the wing will contain a large, laboratory-type home economics room, three standard-size class rooms, two rest rooms, lockers, and a custodian's store room.

THE MEN BEHIND OUR ADVANCEMENT

WE WISH TO THANK our Principal and the Board of Education for their efforts to educate us not only in the three R's, but to help us become responsible, upright citizens.

Because of expanding enrollment, new facilities are continually added to keep up with the increase. Our administration is responsible for the improvements as well as the daily routine in our educational program.

BANK FURTHERS STUDENTS' INTEREST IN MANAGEMENT OF MONEY

DOLLARS AND "SENSE" draw interest and student investors to operate the school bank. After purchasing stock at a dollar a share, a student is eligible to become a teller. Operating through the Kaw Valley State Bank, the amount of money handled since 1927 has increased from $3000 to approximately $36,000 a year. Not only does the bank teach wise handling of money, but its services are available for all clubs, organizations, and personal accounts.

SCHOOL AND COMMUNITY art work presents a challenge to Seaman's Art Club. Projects include Christmas decorations for school, program covers for Baccalaureate and Commencement, and Junior-Senior Prom decorations. Posters and signs are requested by other clubs to publicize their meetings, parties, and programs. Various community organizations are also offered this service. To gain inspiration, the club sponsors several educational trips to exhibits of the work of other students and professionals.

The Art Club, sponsored by Miss Dora Wilson, has been in existence for ten years. As members must frequently finish projects on their own time, only those genuinely interested in getting experience while serving others are invited to join.

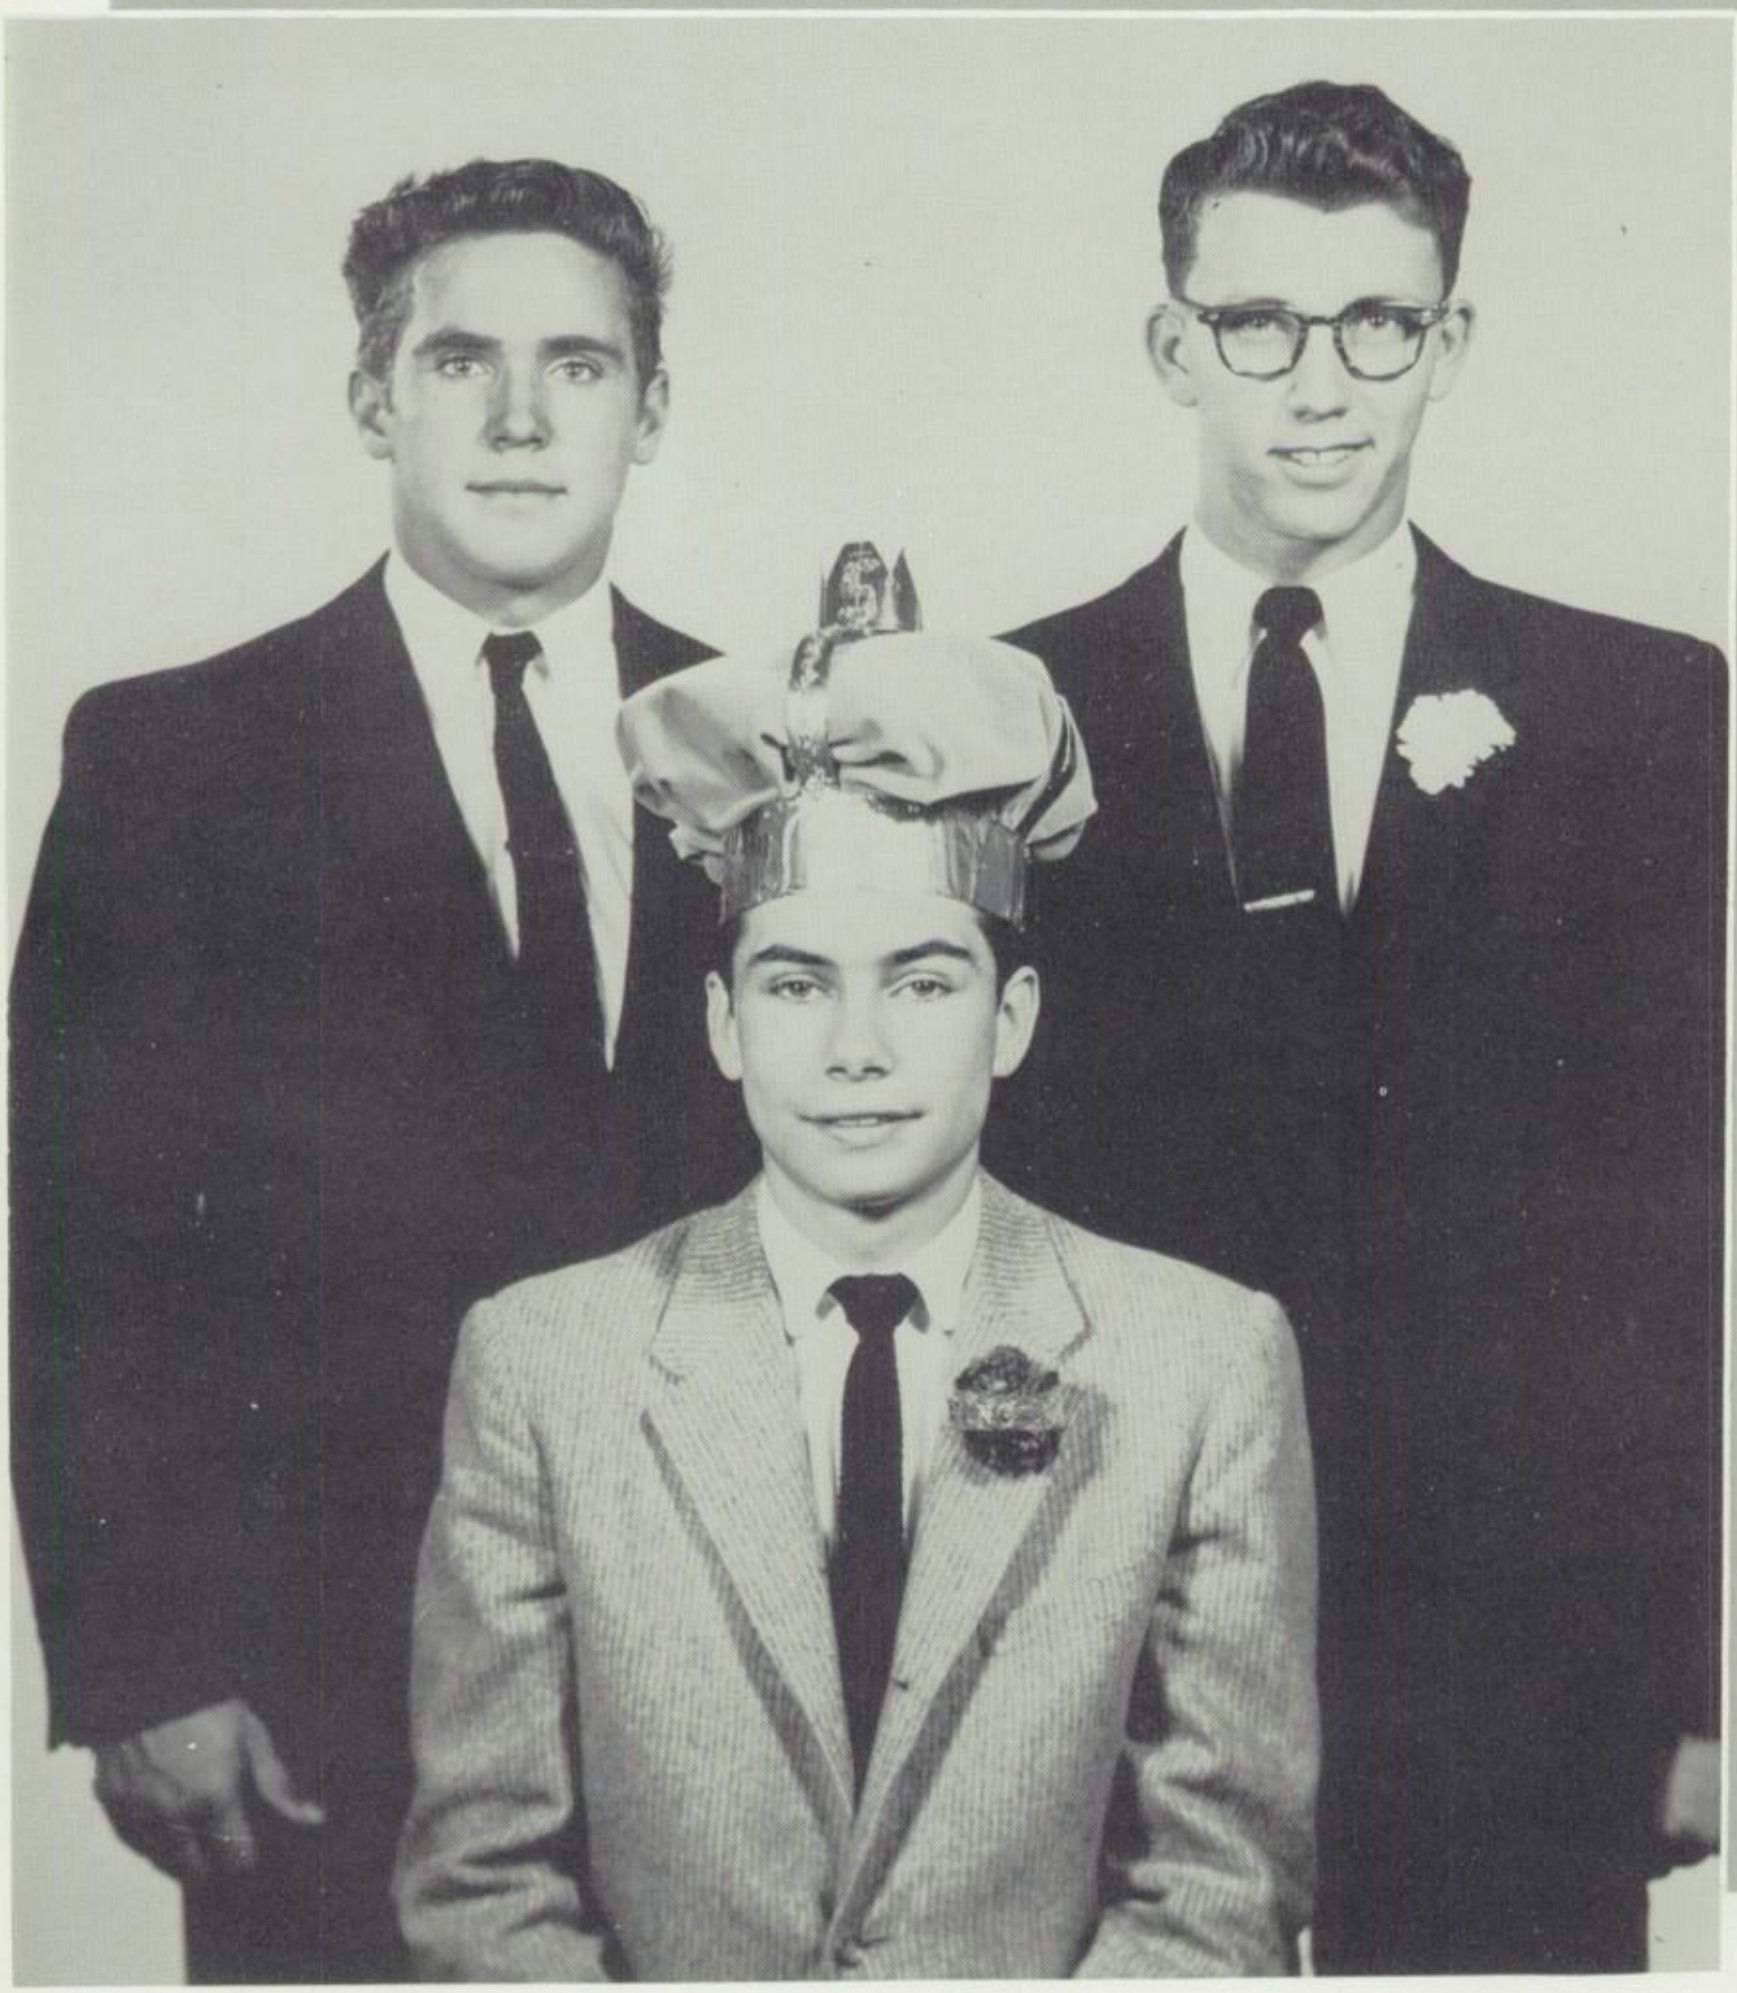
HOMECOMING - 1957

HOMECOMING ROYALTY REIGNS

HOMECOMING RECIPE

TAKE 450 SEAMAN HIGH SCHOOL STUDENTS. Add a generous pinch of football weather. Sift in a good measure of school spirit and blend in the excitement and anticipation of the candidates, Judy Nowlan, Nancy Corn, Maylene Chance, Karl Kessinger, Jim Feyh and Gary Brewer.

OVER GAME AND DANCE



Stir well for one week. Serve Friday night, October 18, 1957, with 150 Pep Club members in "S" formation. Fold in a victorious score of 32-13, add a well-beaten Wamego. Decorate with radiant Queen Maylene Chance and gallant King Gary Brewer. Garnish with bouquets of red roses and white carnations; but save some icing for the dance. It's a good recipe. Just ask the Alums; they all come back for more.

DRIVING AGGRESSIVELY from Coach "Bernie" Bierman's rugged single-wing formation, the Seaman football squad won five games, lost two, and tied one, to share again the Jayhawk League championship.

With spirit and determination, the gridders racked up an impressive 2,278 yards gained through rushing for the season, aptly illustrating the effectiveness of Coach Bierman's vigorous, well-planned ground attack.

Displaying considerable skill in seeking weaknesses in the opponent's defense, the Vikings made teamwork pay off by also winning the mythical city championship.

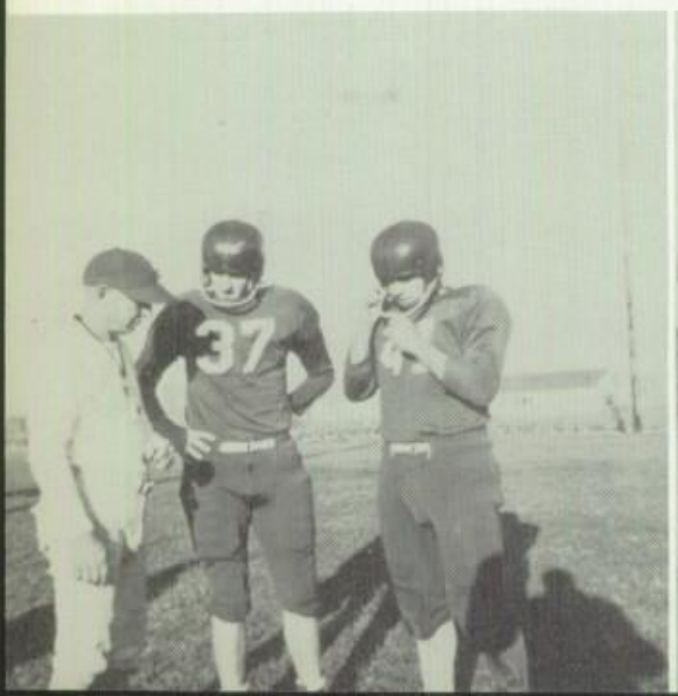
GRIDIRON GLORY



SEAMAN'S BIG FIVE... EXPERIENCE AND SKILL

TEAMWORK, SPIRIT, AND FAITH in themselves and their pattern of play was the keynote of this year's round-ball aggregation. Coach Gerald Haney's smooth-working Vikings rolled to one of the best years in recent Seaman basketball history.

Featuring smooth ball handling, expert outside shooting, and an air-tight defense that held 16 opponents to 46 points or under, the polished and talented Vikes ended the season with third place in the Regional Tournament at Effingham and a 17 won, 5 lost record.

Six seniors, Dick Brown, Wayne Trickel, Karl Kessinger, Jim Sessions, Jim Feyh, and John Milliken, will be sorely missed when next year's whistle blows for the next season to begin.

The graduating members of this fine team have left a great challenge in the record of 1958.

SENIOR SNEAK DAY

Photo courtesy BEECH AIRCRAFT CORP.

SLEEPY-EYED BUT EAGER, the Seniors boarded two Continental buses at 5:00 A.M., May 5, 1958. As the buses headed for Wichita, those who weren't thinking about sleep were anticipating breakfast at the Turnpike restaurant. With renewed spirits and full stomachs, they arrived in Wichita, ready for a day of fun and frolic. "Beechcraft" was one of the highlights of the day. After a guided tour of the plant, they returned to the buses and proceeded to the bus station. Everyone went uptown for lunch and an afternoon of various activities. At 6:00 P.M. all boarded the buses and headed for Joyland Amusement Park.

10:30 P.M. "Is it time to go already?" was suddenly heard from all sides, as the Seniors piled into the buses at the end of a perfect Sneak Day.

DYLAN

THE BEGINNING AND THE END . . .
MOMENTS NEVER FORGOTTEN

IT STARTED....

It started in the fall of '54;

It started with 83 eager freshmen confronting mazes of unknown faces;

It started with new studies, new teachers, and strange classrooms.

It started with President, Gary Moden; Vice-President, Verna Peterson; Secretary, Jim Andrews; and Treasurer, Mary Jo Deurmyer as class officers, with Miss Marvel Cox and Mr. Marvin Smith as sponsors.
The year was filled with moving from the old building to the new, football games, assemblies, all school parties, a class picnic, and a class skating party.

President, Maylene Chance; Vice-President, Mary Spangler; Secretary, Margaret MacArthur; and Treasurer, Patsy Hammond led their class of 79 sophomores as they enjoyed a successful football season, a class Halloween party, and a picnic at Lake Shawnee.

Junior-Senior Prom, choosing class rings, a class dance, and a picnic at Lake Shawnee were highlights of the Junior year.
The officers of the 71-member Junior class were Wayne Trickel, President; John Milliken, Vice-President; Nancy Corn, Secretary; and Karl Kessinger, Treasurer; with Mrs. Hazel Gooch and Mr. Marvin Smith as sponsors.

Senior rings, winning football, basketball, and track teams; school dances, assemblies, parties, and the Junior-Senior Prom were appreciated even more because of the knowledge that they would be the last, for at last, the eager freshmen were poised seniors.
President, Wayne Trickel; Vice-President, Gary Brewer; Secretary, Janice Browning; and Treasurer, Jim Feyh; with the assistance of Miss Dora Wilson and Mr. Bruce Frederick, planned and directed many activities during the busy year.

It ended with a fun-filled sneak day in Wichita, the last class picnic, and honor assembly.

It ended with Baccalaureate, where the realization of our future responsibilities became apparent.

It ended May 23 when 66 seniors in white caps and gowns marched through the daisy chain to the strains of Elgar's "Pomp and Circumstance."

It ended with the hope that we might reflect through our life in the community, the nation, and the world, the training that we have received as Seaman students.

IT ENDED.
